## MURDER AT ST VERNON'S SCHOOL

Although it's 1948, and the war is over, rationing is still in place at St Vernon's Boarding School for

Young Ladies in Little Striving. It is a dumping ground for the more difficult to place girls from wealthy families. Headmaster, Mr Granville Stickler, has recently become vague and confused, causing great concern to Matron, Beatrice Dose. St Vernon's other staff members include teachers Miss Vita Prout, and Mr Nigel Rogers. Wally Fremantle, the caretaker is the thorn in everyone's side. Amongst the pupils are the aristocratic and behaviourally challenged Millicent Marshall and 'Nice but Dim', Angela Frobisher-Strokes. We join the staff and girls of St Vernon's outside the headmaster's study, on a weekday evening somewhere towards the end of term ...

Enjoy pre-murder drinks (not included in price) before being invited to witness the events which lead up to and include the dastardly crime. Then take your seat aboard the Golden Arrow, where detective packs, clues and your three course meal awaits you. During your steam journey through the Sussex countryside amid the splendour of your period carriage, you will have the opportunity to cross-examine the surviving characters and carry out other detective tasks. But remember to keep a lookout for those tricky red herrings, and remember that the murderer will deliberately lie to protect themselves. Then complete your answer form before returning to find out if you have solved the crime!
